

Catholic Community Choir

Truly a Family Est. 2007 #CCCshines

CCC isn't just any theater company. It's so much more. Watching the kids hold hands and pray before shows brings a tear to my eye every time. They are learning to make friends and care about others. They support each other from the youngest members to the oldest. Catholic Community Choir is truly a family and we feel very much a part of that family." – Tina Pugliese, Parent

Mission

With faith and fun at the core, CCC strives to provide unique and engaging experiences focused on performing arts, service and ministry.

Vision

To see the youth of our communities successful in both artistic and personal development.

What We Do

Catholic Community Choir brings together faith and fun center stage in all of our programs. Focusing on creativity and each child as an individual, CCC encourages self discovery and growth in each and every program.

Become a Sponsor Today!

Catholic Community Choir created a sponsorship program to support the mission and vision of our organization so that each child can continue to benefit from the great opportunity to be exposed to music, ministry and performing arts at a young age. By supporting CCC through a sponsorship, individuals, businesses and organizations will see the fruits of their generosity throughout a production or all year long.

Sponsorships assist with scholarship costs for children who cannot afford to participate as well as production costs (production royalties/rights, technical needs, costumes and more). The support and belief of our sponsors is what continues to drive the dream and bring joy to the children of CCC. While supporting CCC through sponsorship, your name/business/organization, will be shown to families all season long.

Sponsorship Opportunities

Year Long Opportunities: Become a sponsor for the entire year! This sponsorship includes support for all productions which gives the sponsoring individual, organization or business exposure all year long. In addition, a yearly commitment provides most financial benefits to the sponsor. Year Long Sponsorships can be paid in installments.

Single Sponsorship: Sponsor an individual production at any point during the year.

Interested in Sponsoring?

Contact Vice President & Executive Director, Aimee-Kate Braconnier

610-544-5217 or akbraconnier@catholiccommunitychoir.com
